USO Dance

Congratulations to David Overholt for taking home the "Salute to Service" Award at this year's USO Dance held at the Knights of Columbus on March 31st. The other nominees that were recognized included James Duddleston, Roy Roberts, Chad Smith, and Gary Wilson. James Duddleston took home the winnings from the evening's 50/50 raffle and many went away with delicious desserts from the live dessert auction. \$1000.00 was raised for student "Salute to Service" scholarships to be awarded at this year's graduation.

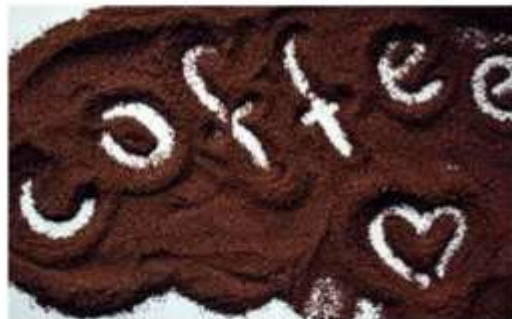

Mural Update

We are fundraising and finalizing plans for The Downtown Mural Project. Implementation is scheduled for May. We have currently raised just about \$3,000.00. We are still working to reach our starting goal of \$5,000.00. For more information or to make a donation, contact the RACC office, visit us online, or attend one of our monthly Downtown Association meetings.

Downtown Coffee

The Downtown Association meets once a month to discuss ongoings in the Downtown Rantoul Area. They are working off a template to improve the district with the support of the Village of Rantoul. Business owners are finding ways to invest and voice their opinions for the future.

NEXT MEETING: April 19th @ RACC 7:30 A.M.
